Exami Olympiad Foundation (EOF)

Exami Olympiad Foundation (EOF) is the academic platform established for conducting the Exami Olympiad, with a vision to identify, nurture and celebrate young talent in Mathematics and Science through high-quality academic competitions. Exami Olympiad Foundation brings together experienced academicians and educators to promote conceptual learning, analytical thinking, logical reasoning and problem-solving skills, while inspiring students to achieve academic excellence.

Academic Leadership

Sh. Narendra Kumar Yadav

Founder & Academic Director, Exami Olympiad Foundation

Founder Director, qSarathi Kota

Mentor & Coach of Multiple Top 100 NEET AIRs

Ex-Senior Faculty, ALLEN, Kota | Ex-Vice President, Sarvottam Institute, Kota

With 23+ years of experience in teaching, mentoring and academic leadership, Sh. Narendra Kumar Yadav has been instrumental in shaping the vision and academic framework of the Exami Olympiad. His academic approach is rooted in the belief that strong school education and competitive preparation should complement each other, enabling students to build solid foundations while developing the skills required to excel in competitive examinations.

Under his academic vision, a dedicated team of academicians works closely with schools to provide structured, result-oriented academic support, enriched by the expertise, methodologies and resources of Kota's renowned coaching ecosystem. This integrated approach aims to empower students with strong conceptual foundations, analytical and competitive skills, and the confidence to achieve their academic aspirations.

WHY SCHOOLS CHOOSE EXAMI OLYMPIAD - ISMO

A trusted academic partner committed to student success and institutional excellence.

Exami Olympiad is more than an examination. It is a comprehensive academic enrichment programme that strengthens classroom learning while providing schools with reliable support, transparent execution, and meaningful recognition.
